1. The amendment filed 3/8/04 has been considered and entered. Claims 2-4,6-8,11 and 13-21 have been canceled. Claims 1,5,9,10 and 12 remain in the application.
2. In light of the amendment filed 3/8/04, the 35 USC 103 rejections have been withdrawn.

***Allowable Subject Matter***

3. Claims 1,5,9,10 and 12 are allowed.

***Reasons for Allowance***

4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or fairly suggest a method of coating an electric coil or a workpiece comprising directing a heated gas flow having a velocity of generally 500 fpm to 2500 fpm substantially perpendicular to the longitudinal axis of the workpiece and wherein the workpiece is heated only by the heated gas flows. The prior art teaches heating by heated air, radiant heating and electric current heating, but does not require the velocity as claimed or the direction of flow.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
